“ We are so saddened to hear of Roger's passing. Such a good-natured, rock-solid guy. His smile would light up a room and make you feel like everything was OK. Seems like yesterday we started dating with Roger and Bonnie (59 years ago!). So many great memories...here are just a few. Hours and hours of pinochle (boys against girls), losing Lisa and Linda at King's Island, the notorious plate of chicken at Cedar Point, Jacques Brel at the State Theater. Then there was the time Roger ordered a filet mignon and asked the chef to "verify" it! Roger was best man at our wedding. The groom was 20 minutes late. Roger said to the bride, just as calm as he could be, "Do you think he jilted you?!" Our trip to NYC, sharing ice cream and, with all the eateries around, Roger thought it would be fun to eat at McDonalds! Thank you Roger for being our dear friend and for putting up with us all these years! We will never forget you. May you rest in the arms of Jesus...until we meet again. Love and prayers to Bonnie and family.

“ Bonnie, I am so sorry for your loss. Roger was a great guy. You and I go back many years working together. I have been thinking about you both for so long. My boyfriend, Larry use to work for Roger at Barth. He described Roger as being a good person and taught Larry alot while he was there. He too sends his condolences as well. I miss you and will always remember the fun times we had at Arrow. You and your family are in my prayers. R.I.P Roger. I am sorry for the loss of your son David. I didn't know he passed. May he rest in peace. Sending you much love Bonnie. God Bless you and comfort you in this time of need.
